Campaign for Community at Trinity
Student Application Form

The College invites applications for participation in student working groups that will lead the Campaign for Community at Trinity in the fall of 2015. The Campaign aims to connect with many students to understand their views, and to address student concerns about campus climate in relation to such issues as gender, ethnicity, and sexual orientation. Participants in the student working groups, in collaboration with faculty and staff, will be expected to:

- Attend weekly meetings
- Complete project work between meetings
- Participate in several campaign-wide education and training sessions
- Gather for campaign-wide concluding events

Participants will directly influence the shaping of campus life, work closely with Trinity faculty, and have the opportunity to network with prominent alumni.
