2. THE CORRECT PRONUNCIATION OF ALL VOWELS
   (Example: Levine – is it Leeveen, Leveen, Leevine, or Levine)

Dear Student,

The Faculty Marshal who will be reading your name as you come forward for your diploma at Commencement would like to pronounce your name correctly, so please help by writing your entire name phonetically. Use any device, even rhymes, that you think will help in understanding the correct pronunciation, especially for the vowels and accented syllables. In the absence of your help the Marshal will do the best he or she can.

If you think it necessary, you may contact the Registrar’s Office for assistance (860.297.2116).

Thank you.
