NEW/TRANSFER STUDENT COURSE SELECTION FORM

Name: ____________________   _________________   _________________
      (last name)                        (first name)                      (middle)

How may we reach you?
   E-mail ____________________________
   Phone ____________________________

I.  General Information
Please keep in mind as you complete this section that your answers are in no way binding. Simply answer these questions to the best of your ability.

1.  What is your intended major or general area(s) of academic interest?

2.  Is there a faculty member you know you would like to have as your advisor? If so, please indicate here.

3.  What other academic areas might you wish to explore?

4.  Is there any other information we need to know about you to create your class schedule?
II. Course Selection

A fulltime schedule at Trinity is 4.0 course credits. Students must successfully complete at least 4.0 course credits to remain in good academic standing at the end of a semester. You may enroll in up to 5.75 course credits in a semester. If you exceed 5.75 credits, you will be charged additional tuition.

We will try to enroll you in as many of the courses listed here as possible before your arrival at Trinity. However, please note that you may not have a complete schedule when you arrive. If your schedule is not complete, or if you wish to make changes to your schedule, you may do so prior to the Add/Drop deadline, which is one full week after the first day of classes.

**Important:** Before making your course selections, please carefully read the instructions included in this packet. Refer to the online Trinity College Bulletin (at [http://www.trincoll.edu/pub/about/bulletin/](http://www.trincoll.edu/pub/about/bulletin/)) and the online Schedule of Classes (at [http://www.trincoll.edu/Academics/Registrar/ClassSchedule.htm](http://www.trincoll.edu/Academics/Registrar/ClassSchedule.htm)). Included in the online Bulletin are specific departmental guidelines and course descriptions.

**Section A; First Choices**

If you wish to enroll in a math course, please note that you will take a Math Placement Exam when you arrive on campus. The Math department will determine, based on the results of your Placement Exam, if you can remain in the course you have chosen.

The first line below is a sample.

<table>
<thead>
<tr>
<th>Class #</th>
<th>Course Number</th>
<th>Lecture Section</th>
<th>Lab Section</th>
<th>Course Title</th>
<th>Days/ Time</th>

</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td>W 1:15 - 3:55</td>
</tr>
</tbody>
</table>

...
Section B: Alternate Choices

We will schedule these courses only if necessary. You should make at least five alternate course selections. When making these alternate selections, do not list different sections of the courses listed the previous section (the last 2-digits ["-01,-02,-03"] reflect section numbers). For example, if you elected Economics 101-04, you may be assured that we will automatically try to enroll you in a different section of that course, should your preferred section not be available. Therefore, you should NOT list this course again with a different section in the box below.

<table>
<thead>
<tr>
<th>Class #</th>
<th>Course Number</th>
<th>Lecture Section</th>
<th>Lab Section</th>
<th>Course Title</th>
<th>Days/Time</th>
<th>Used to Replace which Courses from Sec. A?</th>
</tr>
</thead>
