

# View Your Class Schedule and Class Rosters

When you get to the TCOOnline home menu, click on the **Self Service** link.

Your menu will appear in two different ways, a summarized menu on the left and a more detailed menu on the rest of the page. You can access pages using either version. This page includes links not only for your class information but for your Human Resources data and the links for class and catalog searches.

Click on the **Faculty Center** link.
