

# Technos Japan Tour for Trinity Students

June 11-24, 2017

We are pleased to announce a unique opportunity for Trinity students, made possible by the College's affiliation with the Tanaka Ikueikai Educational Trust of Japan. One faculty member and two students are invited for a two-week, expensed-paid trip to Tokyo, Japan to participate in Technos International Week. This year the tour is to be held from **June 11-24, 2017**.

**Please note: The dates for program are firm and cannot be changed.**

Technos International Week is an event organized by Technos International College of Japan. Its goal is to promote international exchange and understanding between the international guests and the members of the host institution, as well as to offer the guest group the opportunity to experience and appreciate Japanese life and culture. Trinity College is one of 12 colleges and universities from around the world to participate.

This is an opportunity for those who have a genuine interest in Japan but have had little or no chance to pursue it academically. A commitment to Japanese language studies at Trinity College is a must; students who are either currently in First Year Japanese or planning to study First Year Japanese in the fall of 2017 will be given the highest consideration. The applicant must be a current first-year or sophomore who is going to be in residence on the Hartford campus in the fall of 2017.

## **Other selection criteria include:**

- Thoughtfulness and feasibility of the proposed project
- Personal qualities appropriate to represent Trinity College and to work within a team
- An excellent academic record
- A willingness to meet people from different racial and cultural backgrounds and to experience elements of Japanese culture, living conditions, and cuisine that may be unfamiliar
- No previous experience living in Japan required
- Little or no proficiency in Japanese is required
- A citizenship status that allows visa waiver conditions for short-term entry to Japan (If you do not know the status of your visa waiver condition, please check online at <http://www.mofa.go.jp/jinfo/visit/visa/short/novisa.html>)

## **To apply:**

An interested student should submit a copy of his/her Trinity transcript (unofficial transcript accepted) and a one-to-two page letter of interest which includes (1) a description of his/her interest in Japan, (2) an outline of how s/he might pursue his/her interest in Japan, (3) a project proposal that could be embarked on during the two-week stay in Japan, (4) and the name of one Trinity faculty member or administrator who knows him/her well and could support his/her application. Please see:
