

# Shyam Gouri Suresh

1580 Broad St. Apt B-8 || Hartford CT 06106 || (512) 968 2174 || shyam.gourisuresh@trincoll.edu

## EDUCATION

### The University of Texas at Austin

**Ph.D.**, Economics, May 2008

**Dissertation:** Three Essays on Cross-Border Movements

**Committee Chair:** Professor P. Dean Corbae

**Fields of Specialization:** Macroeconomics, International Economics, Computational Economics, and Development Economics

**M.S.**, Economics, May 2005

Overall GPA 3.8

### Trinity College Hartford CT

**B.S.**, May 2003

Majors: Economics, Engineering Minor: Models and Data

Overall GPA 3.8, honors in both majors and in general scholarship

## HONORS AND AWARDS

- Applause Award, presented by Deloitte Tax LLP, November 2008
- Phi Beta Kappa, class of 2003
- Pi Gamma Mu, class of 2003
- Edwin P Nye Award for Engineering, Trinity College, 2003
- Human Relations Award for Outstanding Citizenship and Sportsmanship, Trinity College, 2003
- Holland Scholar, Trinity College, 2001
- Deans Scholar, Trinity College, 2000
- Phi Gamma Delta Prize in Mathematics, Trinity College, 2000
- Faculty Honors, Trinity College, 1999, 2000, 2002, 2003

## PROFESSIONAL EXPERIENCE

### Trinity College Hartford CT

*August 2009 - Current*

#### **Visiting Assistant Professor**

- Instructed undergraduate courses on Intermediate Macroeconomics and Contemporary Macroeconomic Issues
- Evaluated various textbooks, designed the course syllabus, and set up rules and objectives for the class
- Planned daily lectures and presented deeply conceptual and highly technical topics to students in an organized, creative, and interesting format to capture their interest and enhance greater learning
- Included a variety of peer-reviewed journal articles and popular press reports on contemporary macroeconomic issues in the curriculum and discussed these perspectives in class to foster critical thinking and open-minded analysis by students
- Appraised student performance through carefully tailored tests and provided them constructive feedback at regular intervals

### Deloitte Tax LLP Boston MA

*June 2008 - June 2009*

#### **Senior Consultant**

- Conducted industry research and performed economic analyses based on 10-K financial data of companies
- Built financial models to estimate buy-in payments in the context of cost sharing agreements or transfers of intangibles and calculated the weighted average cost of capital and other applicable discount rates to estimate the value of intangibles
- Reviewed the work of junior consultants and provided them with appropriate technical and analytical direction
- Conducted training sessions and participated in local and national transfer pricing training seminars

### Thinkwell Corporation Austin TX

*Summer 2006*

#### **Economics Research Associate Editor**

- Conducted background research and performed editorial duties for Economics video-texts authored by Dr. Steven Tomlinson in collaboration with Thomson South Western Publishers
- Constructed practice questions as well as reviewed and proofread video-texts to ensure an error-free publication

### University of Texas at Austin

*August 2003 - May 2008*

#### **Teaching Assistant**

- Assisted graduate courses on Computational Economics and undergraduate courses on International Finance, International Trade, Computational Economics, and Development Economics
- Tested, debugged, and updated programs in various mathematical and analytical software for graduate and undergraduate courses in computational economics
- Guided students by tutoring them and providing suggestions on how to translate qualitative ideas into quantitative models
- Evaluated assignments and tests, systematically maintained class rosters, and held regular office hours

**University of Texas at Austin**  
**Assistant Instructor**

**Summer 2007**

- Instructed undergraduate course on Introductory Macroeconomics
- Evaluated various textbooks, designed the course syllabus, and set up rules and objectives for the class
- Planned daily lectures and presented deeply conceptual and highly technical topics to students in an organized, creative, and interesting format to capture their interest and enhance greater learning
- Appraised student performance through carefully tailored tests and provided constructive feedback at regular intervals

**University of Texas at Austin**

**Summer 2005**

**Research Assistant to Dr. David Kendrick**

- Wrote sample programs in MATLAB to illustrate concepts explained in the textbook, 'Computational Economics' authored by Dr. David Kendrick and published by Princeton University Press
- Designed algorithms for various economics model solving procedures such as value function iteration

**PUBLICATIONS AND PRESENTATIONS**

**Internal Office Presentation**

"Cost Sharing Arrangements: A Discussion Based on Current IRS Regulations and the Coordinated Issues Paper,"  
Transfer Pricing Lunch & Learn, Boston, December 2008

**Conference Presentation**

"Money Trumps Quality: The Effect of Campaign Spending in Congressional Elections, 2002 and 2004," with Eunjung Choi, Annual Meeting of the American Political Science Association, Philadelphia, September 2006

**Publication**

"A GUI Software suite for data acquisition and analysis of evoked field potentials: Applications in biomedical and electrophysiological research," with J. Bronzino, A.A. Robinson, D.J. Aloji, D.A. Fortin, J.H. Blaise, April 2002, Proceedings of the Northeast Bioengineering Conference, Philadelphia, PA, 123-124

**Working Papers**

"The Cost of a Border in a Model of Aggregate Fluctuations"  
"The Macroeconomic Impact of Migrant Remittances"
