List of Books in the CTL Library

Berk, R. A. (2003). Professors are from Mars, students are from Snickers: how to write and deliver humor in the classroom and in professional presentations. Sterling, Va.: Stylus.

Brown, J. S. (2000). FEATURES – GROWING UP DIGITAL – How the Web Changes Work, Education, and the Ways People Learn – Like the development of electricity a century ago, the World Wide Web is transforming society in ways we are only beginning to see, but it clearly offers educators a chance to
construct a medium — A new learning ecology — That will enable all young people to become engaged in their “ideal way of learning”. Change., 32(2), 10.
