2020 APPLICATION FOR REMOTE TRANSFER CREDIT

Students, generally, may not enroll in remote learning courses (for credit towards graduation) at any institution outside of Trinity. However, as an exception, in the situation that a course is needed to stay on time for graduation and that the course is not being offered at Trinity College, a student may petition the Curriculum Committee to count a remote learning course at an alternate institution toward the graduation requirements. The Curriculum Committee will evaluate and make a decision on the petition in consultation with the relevant department(s).

Please submit this form together with a written statement outlining your request to the Registrar’s Office as your petition.

☐ Before signing this application, consult the Trinity College Student Handbook for the regulations about transfer credit. Information is also available on the Transfer Credit website on the Registrar’s Office web page.

☐ Sections A, B, G, & H must be completed. Other sections may be required, depending on how the courses will be applied to your academic record.

☐ Attach official course descriptions or syllabi, in English, to this Application

   • Students should submit the application for transfer credit and wait notification of approval by the Registrar’s Office prior to any final registration in the remote learning course.
   • Obtain the Mathematics Chairperson’s signature next to title of any Math courses (to indicate suitability).
   • For semester abroad programs, you must enroll as a fulltime student in your study abroad program, as defined by the program. You must transfer in at least 4.0 Trinity course credits to avoid academic probation.
