

## QUESTIONS AND ANSWERS ABOUT THE WAITLIST AT TRINITY COLLEGE

### **1. How do I remain active on the waitlist?**

If you are interested in remaining on the Trinity College waitlist, please submit the *Waitlist Response Form* no later than April 15. If we have room to take students off the waitlist, we will only consider those who have returned the response form. The *Waitlist Response Form* is located in your Applicant Status page.

### **2. When will I learn of Trinity's decision on my application?**

The earliest you can expect to hear from us is late April and the latest is early July. Trinity, like most selective colleges, usually makes the great majority of its waitlist decisions in May. If you are chosen to be admitted from the waitlist, you will receive a phone call and email from an Admissions Counselor.

### **3. What is my number or position on the waitlist?**

Trinity does not rank students on the waitlist, and it is impossible at this time to predict how many students will ask to remain on it. After the April 15 response date, we will begin reviewing candidates with continuing interest in Trinity, but we never assign numerical ranks to waitlist applicants.

### **4. What are my chances of being admitted from the waitlist?**

This all depends on how many students admitted to the College accept our offer. In the past, we have admitted a limited number of students from the waitlist. If we do so again this year, we will try to notify students as quickly as possible. However, it is always difficult to predict if we will take students from the waitlist.

### **5. Can I do anything to help my chances for admission?**

As stated earlier, letting us know if Trinity is your first choice is a good idea. You may also submit additional information (new grades, new scores, honors earned, etc.) for the admissions committee to review if you wish. Anything you send us will be included in your file for review.

### **6. Should I submit an enrollment deposit at my second choice college?**

If the national enrollment deadline (May 1) is approaching and you have not yet heard from Trinity, you should submit a deposit at another institution. In other words, make sure you have a place in a college for next fall. If you are subsequently accepted to Trinity and choose to accept our offer, you should then notify the other institution immediately so they can fill the space you have vacated.

### **7. If I am admitted, will financial aid be available?**

Students who applied for financial assistance and met all deadlines will be presented with information about financial aid eligibility when an offer of admission is made. Trinity College meets 100% of demonstrated financial need and works individually with families to help them understand their financing options.

Please feel free to contact us with any questions or concerns at (860) 297-2180 or [Admissions.Office@trincoll.edu](mailto:Admissions.Office@trincoll.edu).
