

2019 Environmental Summit

Registration is now open for the **2019 Environmental Summit**, co-sponsored by the Connecticut Leagues of Conservation Voters (CTLCV)'s Education Fund, and the Trinity Program on Public Values. It will be held Thursday, January 17, from 9 am to 2 pm, in the Washington Room on the second floor of the Mather Campus Center on the campus of Trinity College, 300 Summit Street in Hartford CT. The event is free, but you **must register in advance** to attend, at <https://www.ctlcv.org/summit.html>.

The 2019 Environmental Summit will bring together leaders, lawmakers, advocates, and others for panel discussions and informational briefings on the key issues facing our environment in the coming year. This year, we will welcome our new Governor, Ned Lamont, as one of our speakers. A continental breakfast and lunch will be served.

2019 brings us new opportunities for environmental progress in Washington D.C – and the challenge issued by the Federal Government report with a deadline of 2030 for action before there will be irreparable damage to our planet. Now is the time to get involved on a local and state level to make your voice heard. Please join us for this important and informative Summit.
