Dear Trinity Community:

I hope you are well. As I'm sure you know, the government shutdown has had a negative impact on Connecticut families. As a program, we have made the decision to use the money that we collect for our Friday dress down day to establish a food pantry to be used by anyone that needs it.

The center would start the pantry by purchasing some shelf-stable foods and toiletries. In order to keep it going, anyone who wants to donate items can just leave them on the shelf. I am reaching out to our Board of Directors and the Trinity community to see if you would like to join us. The plan is to have a shelf in each building in the entryway so that anyone can take items as they are needed. I am really excited that the staff are embracing this endeavor and I hope you will join in keeping it going.

If you are affiliated with a community organization who you feel would like to contribute, please let me know or pass along my contact information listed below. Thank you.

All the best,

Christy Gademsky  
Executive Director
