

### Summer Positions at Trinfo.Café:

**To apply:** Email Program Manager [Arianna.Basche@trincoll.edu](mailto:Arianna.Basche@trincoll.edu) with resume, and a note on why you're interested in the position no later than Sunday April 28<sup>th</sup> at 5:00 pm. The position is open to any currently enrolled undergraduate student at Trinity College.

**Details:** Full-time members of our summer staff develop curriculum, teach children and adults computer skills, help with our community garden, and assist with projects connected to the community [with the option to take on self-directed projects as well]. They also staff the front desk and provide customer service to Trinfo's patrons.

- Work 27 hours a week (or more)
- Housing provided
- Must be available to work between May 19th – August 17th
- Ideal applicant is someone who has demonstrated an ability to work and collaborate effectively with a wide range of diverse populations on campus, and within the Hartford community
- Applicants with course instructor or teaching experience are highly encouraged to apply
- Potential to continue working at Trinfo during the school year

**About us:** [Trinfo.Café](#) is a community space connecting Trinity College and Hartford. We offer access to computers, Wi-Fi, and low-cost printing/faxing services. Trinfo also has comfortable seating, a television, and free coffee/tea for anyone to enjoy.

Trinfo partners with student organizations to host free public events to build community between Trinity students/faculty/staff and Hartford residents. Past events include LVL Café con Leche, Imani Family Dinner, Iron Poets Open Mic Night, MOCA Cookout, TCBWO Movie Night.

Student workers at Trinfo teach computer literacy to adults in the community to help them meet personal and professional goals, and to youth enrolled in local after-school programs to gain skills necessary for academic success.
