CHECK SHEET FOR SOCIOLOGY MAJORS

Students are required to take 11 courses in sociology, including SOCL 101, 201, 202, 210, 410, or 420, and at least three courses at the 300 level. SOCL 101 is the prerequisite entry course for all upper level courses. Students are required to take SOCL 210 Statistics for the Social Sciences prior to taking SOCL 201 Research Methods in the Social Sciences. These courses must add up to at least 11.0 credit hours. It is recommended that sociology majors take SOCL 201, 202, and 210 as early in the major as possible. Students who qualify and choose to write a two-credit honors thesis are exempted from taking 410/420, the senior seminar requirement. SOCL 201, 202, 210, and 300-level courses must be taken at Trinity College. A grade of at least a C- must be earned in each course that is to count toward the major. Senior thesis credit counts as two elective courses for the major.
