Dear Gentlemen of the Class of 1967:

There are several interesting items that the Class of 1967 Leadership Team would like to bring to your attention since our last e-letter of May 8, 2019.

Our first Class of 1967 Scholarship recipient, Latanya Coke '19, graduated from Trinity last spring, and she is now working at the Feinstein Institute for Medical Research in Manhasset, NY. Our second Class of 1967 Scholarship recipient is freshman Dhiraj Ananad Ganji '23 from Hyderabad, India. Like Latty Coke, Dhiraj is participating in the Interdisciplinary Science Program (ISP). Dhiraj is excited to know that his class will graduate when Trinity celebrates its Bicentennial in 2023. The College has decided not to host a Spring Scholars Reception for donors to meet scholarship recipients, so if you would like to introduce yourself to Dhiraj, please welcome him with an e-mail at dhiraj.ganji@trincoll.edu.

This Fall, Trinity again hosted Homecoming Weekend in late October. The traditional "Pass the Baton" ceremony was held during a Half Century Club brunch. The dates for 2020 Homecoming Weekend have been announced; please mark your calendar now to come back to Trinity the weekend of October 2-4, 2020. Earlier this month you should have received a second alumni survey from Resonance Insights seeking additional information about your engagement with the College; please take a few minutes to respond electronically.

While we no longer have our Class of 1967 web site, we understand that the College is working to develop and design an exclusive Class Page for the Class of 1967 that should provide links to a class directory, a class photo gallery, and access to Class Notes published in the Trinity Reporter among other useful features. We will let you know when the Class Page is launched; in the meantime, please continue to send your class notes for the Trinity Reporter to Jim O'Connor (oconnorjim111@gmail.com).

The Class of 1967 Leadership Team encourages you to submit the name(s) of classmates whom you think would be deserving of our Trin-Man Award at our 55th Reunion. The Award will recognize and honor a classmate for his "significant and meaningful service in one or more of the following areas: Trinity college and higher education in general, or to his local community, state, or nation." Rob Boas (rboas@bellsouth.net) is coordinating the Trin-Man Award effort; please send him your recommendation(s).

Finally, as we near the end of 2019 and approach a new decade, the Class of 1967 Leadership Team thanks you for your ongoing generosity to annual giving, the Class of 1967 Scholarship Fund, and those who are members of The Elms Society. Please consider making a year-end gift to the College as you are able. You have our kindest regards for the holiday season as well as continued success and happiness in the new decade ahead.
