COVID-19 POLICIES AND PROCEDURES

The following policies are in place to ensure Reunion Weekend 2022 will be a safe and healthy celebration.

Vaccination Requirement

The college requires all visitors to campus, including all Reunion attendees and vendors, to demonstrate proof of vaccination.

- Reunion attendees aged 12 and older must provide proof upon arrival to campus that they have received either one dose of the J&J vaccine or two doses of the Pfizer or Moderna vaccine and at least two weeks have passed since completing the course of vaccination.
- Reunion attendees under the age of 12 may attend Reunion Weekend without demonstrating proof of vaccination but will be required to wear a surgical-type, minimum ASTM level 1, or KN95 mask in all indoor settings regardless of the general masking policies in place (cloth masks are permitted only if used as part of double masking). Children without proof of vaccination may be subject to additional COVID-19 safety precautions, to be announced by the college in advance of Reunion Weekend.

All Reunion attendees must visit one of two vaccine verification stations, located at either entrance to Reunion Headquarters, to show proof of compliance with the vaccination requirement and to receive a wristband signaling you've completed this step and granting you entrance to Reunion events.

Symptom Self-Monitoring

We ask all Reunion attendees to agree to self-monitor for symptoms before and during the weekend and to agree to the following:

- Alumni or guests registered to attend Reunion Weekend will not attend if they develop COVID-19 symptoms.
- If a Reunion attendee or their guests become symptomatic or test positive at any time during the event, they will leave campus and follow up with a primary health care provider or seek treatment at a medical facility in the local community.

Masking and Other Policies

Masking, social distancing, or other precautions may be implemented during the weekend. Please check your Reunion packet or www.trincoll.edu/AlumniAndFamilies/Reunion/Covid-19-Regulations/ for information about any additional COVID-19 policies.
