

# REUNION WEEKEND

June 4–7, 2026

We're so excited for you to return to campus and relive your glory days by sleeping in dorm rooms 'neath the elms! We hope the information included here helps prepare you for your arrival!

## Packing List

For many returning Bantams, quite a few years have passed since your last night spent in a dorm. Remember that your room will be equipped with the basics (bed, bed linens, towels, drawers and/or a closet) but will not have many of the amenities you might be used to receiving in a hotel. Here's a list of some items that might make your stay in the dorm more comfortable:

- Personal toiletries like shampoo, hand soap, etc.
- Toothpaste/toothbrush
- Comb or hairbrush
- Shower shoes/caddies
- Bathrobe
- Hair dryer
- Clothes hangers
- Cell phone charger
- Alarm clock
- Reading lamp
- Desk fan
- Cool, comfortable, casual clothes for during the day on the Quad
- Dress(ier) clothes for evening events
- Sweater or sweatshirt—remember, summer in New England can be unpredictable!
- Umbrella/rain coat
- Sunscreen/insect repellent
- Snacks

Note: Your room reservation includes bedding and towels.
