Mission:
The mission of the Campus Safety Department is to promote and provide a safe, secure environment where members of the Trinity community live, study, and work. The department strives to provide effective safety services, prevent crime, and foster an environment in which members of the College community practice personal safety.

Vision:
Respect • Integrity • Trust • Dedication • Professionalism • Education

Your time at Trinity College should be a pleasant and positive experience. However students may overlook the very security systems meant to protect them and their property by:

• propping open doors in residence halls or sharing codes
• leaving valuables unattended or leaving their cars unlocked
• neglecting to provide contact information for the mass-notification system.

With this in mind, we recommend the following:

- Visit the Campus Safety Web page. The Daily Crime Log is updated regularly, and you also can review Trinity’s annual report of security and fire safety.
- Attend programs presented by the College, such as orientation programs, sexual and gender violence awareness programs, and programs focusing on high-risk activities involving alcohol and drugs.
- Take advantage of the services offered by Campus Safety, such as walking escorts, the On-Campus Shuttles and the student-run Off-Campus Shuttle. Find out where the emergency call boxes are located. Follow personal safety tips, and take advantage of vehicle and bicycle registration programs.
- Look out for yourselves and your possessions as well as for the safety of others, both on and off campus. Report hazards and crimes as soon as possible. If you see something, say something. Be a good bystander—tell someone.
- Know that we strive to keep your parents in the loop—even when it’s quiet. We provide The Daily Crime Log on the Web page along with newsletters and updates to communicate with parents so that they don’t have to rely on students for updates.
- Enroll your personal e-mail and cell phone in TrinAlert, the emergency notification system.
- Please remember to call immediately if you are the victim of or witness to a crime. Report any suspicious behavior immediately to the Campus Safety emergency line at (860) 297-2222. Please program this number into your cell phone.
- Safeguard against a false sense of security; lock your door. New students are encouraged to orient themselves to the campus and to walk around during the day. Always let a friend know where you are going. Please don’t hesitate to call Campus Safety for assistance.

Our partnership with the Hartford Police Department has provided space for a police substation on campus at 130 New Britain Avenue.
