On the cover: 87% knowledge rate (percentage of Class of 2020 graduates for whom we have data about their first-destination career outcomes)

CLASS OF 2020 OUTCOMES

** Peace Corps, AmeriCorps, TFA, Fellowship, etc.

The **Career and Life Design Center** equips students and alumni with the career readiness skills and resources needed for career exploration and life design, experiential learning, and competitive postgraduation outcomes. The center fosters relationships with employers and alumni to cultivate internships and jobs, employee visits, and networking opportunities for students and alumni.

BY THE NUMBERS

1,395 connections with students and alumni during the fall of 2020, when we shifted all coaching appointments, events, and career development activities to a virtual platform

“We are still the place to come for help with a job or internship search, but it’s more than that. We take a holistic and personalized approach to working with students.”

–Joseph M. Catrino, Executive Director of Career and Life Design

76.3% of undergraduates active in Handshake, Trinity’s online career management platform, connecting students and alumni to opportunities from more than 300,000 employers

#10 among U.S. liberal arts colleges in long-term return on investment, according to “ROI of Liberal Arts Colleges: Value Adds Up Over Time,” Georgetown University Center on Education and the Workforce, 2020

#17 on GradReports’ 2021 Best Colleges in the U.S. by Salary Score

NOTABLE EMPLOYERS

We empower students and graduates to be active agents in designing their careers and to use their liberal arts education to adapt to and to transform the future of work.
