Today's Trinity Experience

The Convocation and Matriculation ceremony marks the beginning of every student's Trinity journey. Throughout today's ceremony, you'll experience many of the College's most cherished traditions, places, and symbols—some dating back nearly 200 years and others beginning with the Class of 2030. Together, they connect our newest students with generations of Bantams who have come before them.

Scan the QR code to learn more about these traditions and to discover how they shape the Trinity experience from Convocation through Commencement.
