

# Robin Food

An app that connects food donors to volunteers

Simran Sheth '19 | Advisor: Dr. Ewa Syta

## Motivation

- High poverty rates in developing countries.
- Hunger is one of the biggest humanitarian problems
- Large amounts of food wasted due to tropical temperatures and religious restrictions

## Technology Used

## Overview

- Connect donors and volunteers using honor based system
- All donations include food and storage details, and are listed by location
- Directions from volunteer to donor
- Donations expire in 12 hours

## Features

### Donate Here: Now!

Name:

Address:

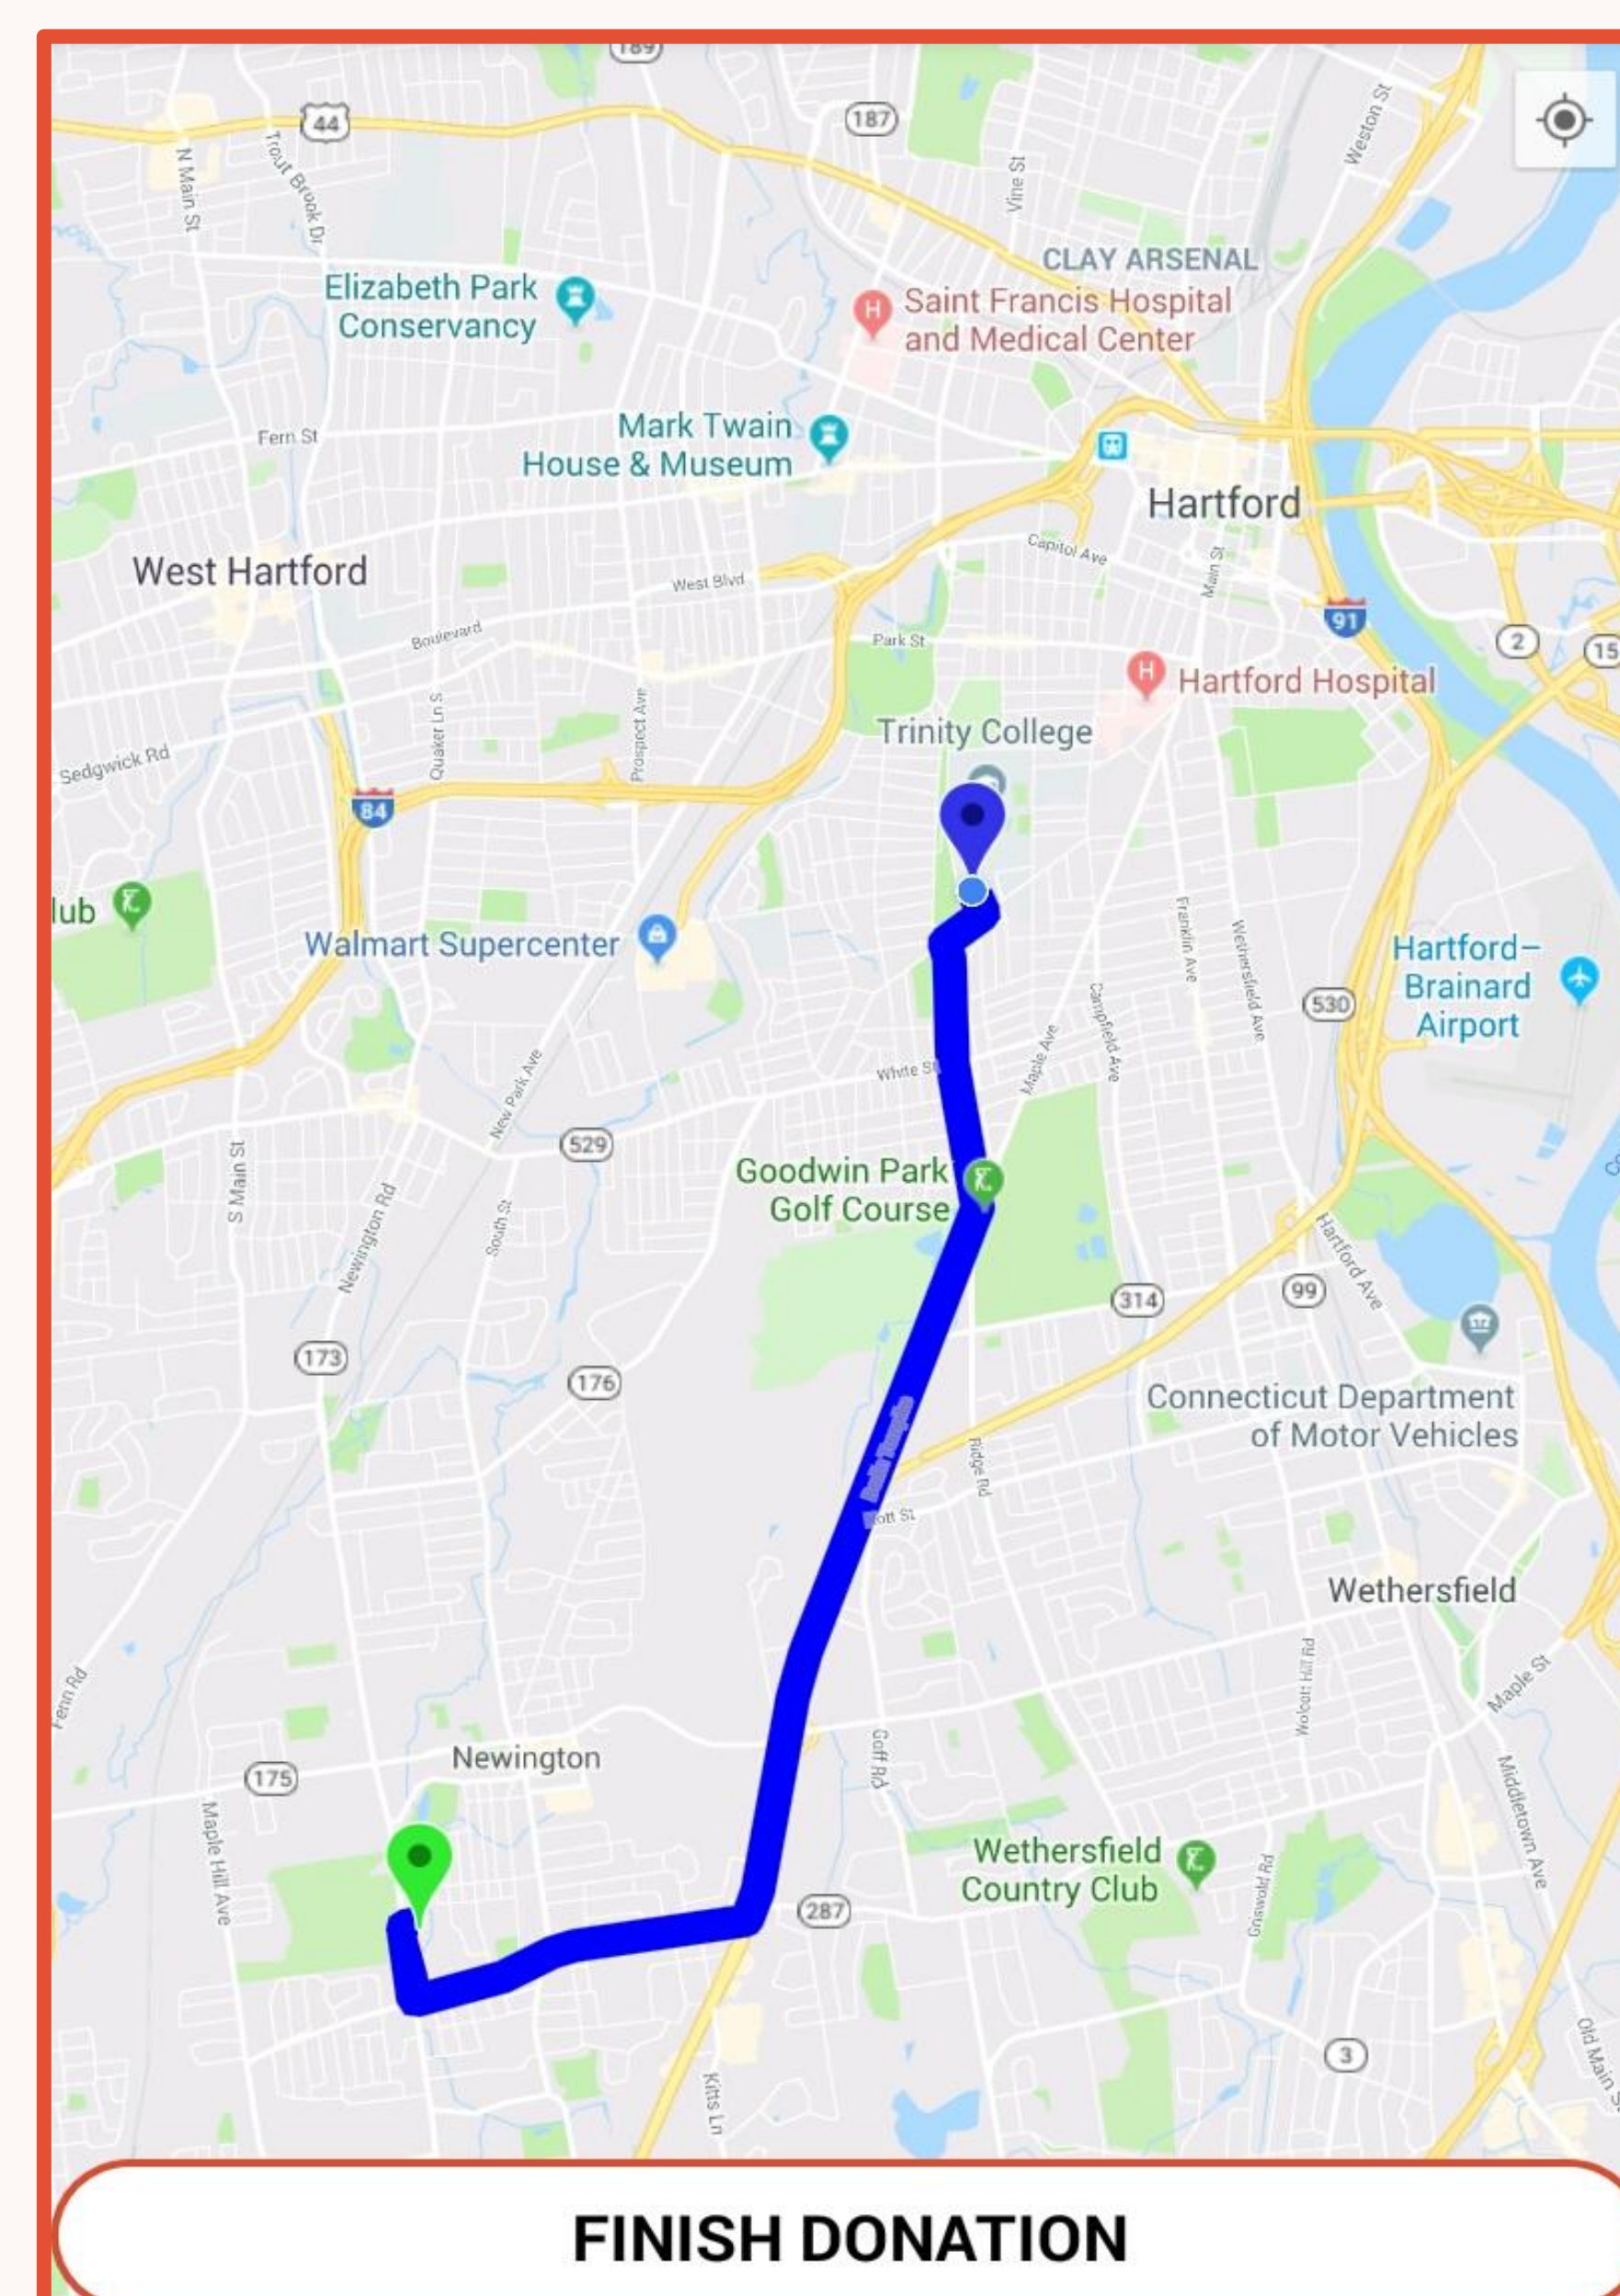

Use Current Location

Phone Number:

Please mention details about the food: quantity, or any specific storage requirements

Food Details:
