

ENGAGEMENT PROJECT

Presentation Guide

Presentations should include the following elements:

- ✓ Why you proposed this project
- ✓ Any relevant background information about the country/region/town you conducted your project in
- ✓ The partners you worked with and their missions
- ✓ Your anticipated outcomes
- ✓ How you prepared for the project
- ✓ How you executed the project
- ✓ Challenges you faced
- ✓ The project outcomes and how they were similar or different from your expectations
- ✓ What you're up to now/next and how this project helped inform where you are now or where you're going
