Schedule of In-Person Workshops March 9-13

Notes: It is our intention that the workshops (not the drop-in hours) will be recorded and made available online. It is also our intention to begin offering some additional training sessions via videoconference, also on Wednesday. A schedule for these will be ready by the end of day on Monday. These will also be recorded and made available online. We also intend to assemble a Frequently Asked Questions document of questions that come in either via email or during the drop-in hours.

Monday, March 9

1pm-6pm LITC 182: Drop-in hours for questions about course transformation for remote instruction. (Come with any questions, from “Where do I begin?” or “Do I have the right gear?” to “How can I accomplish this one specific thing?”)
