## **REQUEST FOR INCOMPLETE IN A COURSE**

### Overview

A course incomplete (IN) is a transcript notation for a temporary extension. Approval is dependent both on the individual instructor's agreement and decision by the Academic Affairs Committee (AAC). Typically, non-completion of coursework for an incomplete by the date due will result in conversion of the "IN" to a failing grade.

- An Incomplete is not intended for falling behind on work and/or not doing well in a course.
- Note that a separate form must be completed for each course for which you are asking for an Incomplete.
