Library Resources for Faculty

LITS

FOR YOUR COURSES

INSTRUCTION MENU

https://www.trincoll.edu/lits/for-faculty/course-instructional-support/research-instruction/instruction-menu/

Inspiration for in-class workshops on introductory or in-depth information literacy and research skills.

COURSE GUIDES

https://courseguides.trincoll.edu/

Custom resource or task-based guides geared towards specific courses or assignments. Ask an instruction librarian to create one for your course.

AFFORDABLE COURSE MATERIALS

https://courseguides.trincoll.edu/affordability

A guide for instructors on options for providing no-cost or low-cost course materials to students.

LIBRARY DATABASES

https://courseguides.trincoll.edu/az/databases

Alphabetical list of databases provided by the library, filterable by subject and resource type.

COURSE RESERVES

https://www.trincoll.edu/lits/libraries/borrowing-requesting/requests/

Information on requesting books or videos be made available for students as a course reserve.

Contact a Research and Instruction Librarian to get started!

Library Resources for Faculty

LITS
