NOTES:

in order to teach 39 contact hours per semester in ten weeks, an extra 45 minutes per week must be added to class meetings. This schedule accomplishes this by expanding each regular time slot by 15 minutes (3x /week) or 25 minutes (2x /week). If a course is being taught over 13 weeks, the times in the *[brackets]* should be used.

\*The traditional afternoon block from 1:15-3:55 (or 1:30-4:10 on TR) is 2 hours 40 min, or 10 min longer than necessary. The bracketed *[2:00-4:40]* block preserves this class time duration for the 13-week option.

However, the expanded version of this block for the 10-week option only needs to run from 2:00-5:15 (adding 35 instead of 45 min)
