Registration – Fall 2022

Registration appointments are assigned by class. Appointments will begin at 7:00am on the appropriate day and remain open until 11:59 pm on April 17, 2022.

Class Year:	Dates of Appointment:
Class of 2023 and Graduate Students	April 11 - 17
Class of 2024	April 12 - 17
Class of 2025	April 14 - 17

During the above registration period students will be able to enroll for up to 4.75 course credits. The Add/Drop period starts on Monday, April 18, 2022, and ends on the sixth day of classes, Tuesday, September 13, 2022. You will be allowed to make changes to your schedule during that time and add an additional course credit, up to the limit of 5.75 course credits.

Advising

The Advising Period begins on April 4, 2022. During Advising Week, students are expected to meet with their advisors to review their desired classes and alternates, in the event first choices are full. Students also obtain Permission of Instructor Numbers (PINs) from instructors whose classes require permission. Advisors will release a "registration hold" for each student, after reviewing curricular requirements with the student. If the "hold" is not removed by your advisor, you cannot register online. **Therefore, failure to meet with your advisor during Advising Week will prevent you from registering for classes during Advance Registration!**

Holds

Before your appointment, check for any holds that may prevent you from registering. Advance Registration, Student Account, Quantitative Literacy, Writing Center, "Not Anymore" video not viewed, or Study Abroad holds will all prevent you from registering. Be sure to resolve any of these prior to your enrollment appointment. You are able to view your holds on the right hand of the Student Center page of TCOOnline.

If you have notified the Office of International Programs of your definite plans to be away for domestic or foreign leave for the semester, a hold will be placed on your record and you will not be able to register for courses at Trinity for that semester. If your plans have changed, you must notify the Office of International Programs in order to have this hold removed.
