Registration – Spring 2023

Registration appointments are assigned by class. Appointments will begin at 7:00am on the appropriate day and remain open until 11:59 pm on November 15.

Class Year:	Dates of Appointment:
Class of 2023 and Graduate Students	November 7-15
Class of 2024	November 8-15
Class of 2025	November 10-15
Class of 2026	November 14-15

During the above registration period students will be able to enroll for up to 4.75 course credits. The Add/Drop period starts on Wednesday, November 16, 2022, and ends on the sixth day of classes, Tuesday, February 1, 2023. You will be allowed to make changes to your schedule during that time and add an additional course credit, up to the limit of 5.75 course credits.

Advising

The Advising Period begins on October 31, 2022. During Advising Week, students are expected to meet with their advisors to review their desired classes and alternates, in the event first choices are full. Students also obtain Permission of Instructor Numbers (PINs) from instructors whose classes require permission. Advisors will release a “registration hold” for each student, after reviewing curricular requirements with the student. If the “hold” is not removed by your advisor, you cannot register online.

Therefore, failure to meet with your advisor during Advising Week will prevent you from registering for classes during Advance Registration!

Holds

Before your appointment, check for any holds that may prevent you from registering. Advance Registration, Student Account, Quantitative Literacy, Writing Center, or Study Abroad holds will all prevent you from registering. Be sure to resolve any of these prior to your enrollment appointment. You are able to view your holds on the right hand of the Student Center page of TCOOnline.

If you have notified the Office of Study Away of your definite plans to be away for domestic or foreign leave for the semester, a hold will be placed on your record and you will not be able to register for courses at Trinity for that semester. If your plans have changed, you must notify the Office of Study Away in order to have this hold removed.

J-Term

While for the past two years Fall and J Term enrollments have been combined this will **NOT** be the case for J-Term 23. J-Term 23 will be a separate term, and registration for J Term classes will be conducted beginning October 31, 2022.
