

CHANGE OF GRADUATION TERM REQUEST

OVERVIEW: Please note that students opting to push back their graduation term will also have their class year changed: all students that graduate after the spring semester of a given year are considered members of the next year's class.

INSTRUCTIONS FOR THE STUDENT: This form must be signed by you, your faculty adviser, and all other necessary offices, then returned to the Registrar's Office via email at registrar.office@trincoll.edu or in person in Trinity Commons, Room 139. All requesters should get the signature of the Financial Aid Office. The International Students Office must sign for international students. It is highly recommended that students arrange meetings with these offices to discuss the potential consequences of a change of graduation term.
