

Where to get a test for COVID-19 in your community before returning to Trinity College?

Coronavirus test criteria and availability are changing daily. Check your state guidelines and call the coronavirus testing site before you go to learn about testing criteria, availability, and hours.

If you are experiencing symptoms of COVID-19, such as fever, cough, or shortness of breath, please contact your healthcare provider or telehealth program to discuss whether you should get tested.

You may also visit your state or local health department's website to look for the latest local information on testing. Other options include at-home kits (see below):

1. **Anthem**
