TRINITY COLLEGE

Request for Accommodation: Medical Exemption from COVID-19 Vaccination Requirement

Trinity College requires students who intend to live or study on campus during the 2021-2022 academic year to be fully vaccinated against COVID-19, no later than August 23, 2021. This requirement is necessary to protect the health and safety of our students, employees, and our local community. By having a fully vaccinated population, our goal is to be able to provide our students with a robust living and learning experience, similar to the one that existed prior to the pandemic.

Trinity will reasonably accommodate students who have a medical condition that prevents them from complying with this vaccine requirement, unless doing so would pose a direct threat to the community or would impose an undue hardship on the college. Absent an approved accommodation for a medical contraindication, all students living or studying on campus must be vaccinated. Trinity will not grant exemptions for the COVID-19 vaccination based on religious beliefs or philosophical reasons.

To request a medical exemption from the vaccine requirement, the student making the request must complete section 1 below, and a medical provider must complete section 2, including reasons for the proposed accommodation. The student must submit the completed form to HealthCenter@trincoll.edu no later than August 2, 2021.

Upon receiving a completed exemption request form, the Health Center will contact the student to discuss the accommodation request, and if necessary, request additional information to process the request. We are committed to engaging directly with any student who requests a medical exemption from the vaccination requirement.

If you have any questions about this form or the status of an accommodation request, or if you need assistance with filling out this form, please contact the Health Center at 860-297-2018.

I am requesting a medical exemption from Trinity College’s mandatory COVID-19 vaccination policy.

I verify that the information I am submitting to substantiate my request for exemption is true and accurate to the best of my knowledge. I understand that any falsified information can lead to disciplinary action.

I further understand that Trinity College is not required to exempt me from the vaccine requirement as an accommodation if doing so would pose a direct threat to myself or others in the community or would impose an undue hardship for Trinity College.
APPLICABLE TO ALL APPROVED APPLICATIONS:

I understand the risks of being non-immunized from COVID-19 in a densely populated campus environment where I will come into close contact with others who might carry and/or transmit the COVID-19 virus, and I have had an opportunity to discuss this risk with a medical provider. If my application is approved and I choose not to be vaccinated, I release Trinity College and its trustees, employees, and agents from all responsibility for any resulting injury or illness I might incur due to contracting COVID-19. I also acknowledge and agree to comply with the following requirements for non-immunized students:

a. I will always wear a mask outside of my private residential space and restroom.
b. I will be housed in a single living accommodation (no apartments, quads, townhouses, two-room doubles, etc.).
c. If I test positive for COVID-19, I may be excluded from campus for a period of 10 days, and if my residence is within a reasonable distance from campus (four hours or less by car), I will be expected to recuperate there.
d. If illness necessitates my exclusion from campus, I will bear any and all associated expense, and I accept the risk that remote education may not be available during my exclusion.
e. I will participate in the college provided COVID-19 weekly testing program, at my own expense. The cost of each test will be added to my student account.
f. My meals may be only grab-and-go and must be eaten at least six feet away from others.
g. If I travel off campus for any reason, I will inform the staff in the office of Student and Community Life.

I certify that the information provided is accurate and complete.
