STUDY TIPS
FROM YOUR STUDENT SUCCESS TEAM

1. Begin by making a study guide
2. Engage, actively, with the material
3. Create a color code system to prioritize information
4. Increase the ways you interact with the material, i.e. visualize, listen, speak or explain aloud
5. Use a large surface, white board, or piece of blank paper to create a map about how the concepts are connected
6. Use mnemonic devices or memory techniques
7. Make flashcards and then quiz yourself and/or someone else
8. Study material in more than one location
9. Take breaks regularly and stay well rested
