Sustainability Career Resources

- Graduate School Opportunities
  - UCLA
    - PhD: Atmospheric and Oceanic Sciences – Climate and Weather
    - PhD: Clean Energy for Green Industry (IGERT)
    - PhD: Environment and Sustainability
    - MS: Environmental Health Sciences
    - MS: Environmental and Natural Resource Policy
    - MS: Urban Planning – Climate, Environment & Society
    - Professional doctorate program: Environmental Science and Engineering Program (ES&E)
    - Certificate: Leaders in Sustainability Certificate
  - University of Illinois
    - MS: Natural Resources and Environmental Sciences
  - University of Michigan
    - MS: Sustainability
    - Certificate: Certificate in Environmental Justice
    - Certificate: Certificate in Industrial Ecology
    - Certificate: Certificate in Sustainability
  - Stanford
    - MS: Atmosphere/Energy
    - MS: Environmental Engineering
    - MS: Sustainable Design & Construction
    - PhD: Oceans
    - PhD & MS: Department of Earth and Planetary Sciences
    - BS & MS: Environmental Earth System Science
  - Harvard
    - MS: Sustainability
  - Georgetown
    - MS: Environmental Metrology & Policy
    - MS: Environment and Sustainability Management
  - Columbia
    - MS: Sustainability Management
  - Yale
    - MS: Forestry
    - MS: Environmental Management
  - Dartmouth
    - Graduate Program: Ecology, Evolution, Environment & Society (EEES)
  - UC Santa Barbara
    - MS: Environmental Science and Management
  - Ohio State
    - Graduate Program: Environmental Sciences
  - Tufts
    - MS: Civil and Environmental Engineering

        - MS: Environmental Economics and Urban Planning
        - MS: Environmental Policy and Planning
        - MS: Offshore Wind Energy Engineering
        - Certificate: Civil and Environmental Engineering Certificate
        - Certificate: Environmental Management Certificate
        - Certificate: Impact and Sustainable Investing Certificate
        - Certificate: The Water: Systems, Science and Society (WSSS) Certificate
        - Certificate: Offshore Wind Energy Engineering Certificate
    - Steven's Institute of Technology
        - MS: Sustainability Management
        - MS: Environmental Engineering
    - UMass
        - Department link: Environmental Conservation
        - MS: Sustainability Science
    - George Mason
        - Graduate Programs: Environmental Science & Policy
        - Graduate Programs: Climate Science
    - University of Colorado
        - Graduate Program: Environment
    - University of Rhode Island
        - MS: Biological and Environmental Sciences
        - MS: Civil and Environmental Engineering
        - MS: Environmental and Natural Resource Economics
        - MS: Environmental Science and Management
    - University of San Francisco
        - MS: Environmental Management
    - Bard
        - MS: Environmental Education
        - MS: Environmental Policy
        - MS: Climate Science and Policy
        - MBA: Sustainability
    - Duke
        - MS: Environmental Management
        - MS: Forestry
        - MS: Master of Environmental Policy (in China)
    - UPenn
        - MS: Applied Geosciences
        - MS: Environmental Studies
    - Johns Hopkins
        - MS: Environmental Sciences and Policy
    - Princeton
        - Certificate: Science, Technology, and Environmental Policy Certificate
        - Certificate: Environmental Studies Certificate
        - PhD & MSE & M.Eng: Engineering

- UVA
  - Graduate Programs: Environmental Sciences
- UC Berkeley
  - PhD: Environmental Science, Policy, & Management
  - MS: Forestry
- USC
  - MS: Sustainability Management
- UNC
  - Graduate Program: Environment, Ecology, and Energy
