Weekly Screenings on Moodle

This course provides a general introduction to the study of film and focuses on the key terms and concepts used to describe and analyze the film experience. As we put this set of tools and methods in place, we will also explore different modes of film production and the topics and debates that have shaped the discipline of film studies. The weekly screenings feature certified all-time classics such as JAWS, VERTIGO, CITIZEN KANE and DILWALE DULHANIYA LE JAYENGE.
